### 8. Purchasing a Product or Ticket or Event Ticket at a TravelShop, Metro Station or Payzone outlet or online

- 8.1 At a Nexus TravelShop the staff will help you to purchase Products, Tickets and Event Tickets. If you are purchasing a Product then you will need to have your Smartcard with you, as it will be immediately loaded onto your Smartcard. If you are purchasing Products or Tickets from a Metro Station Ticket Machine then you should follow the directions on screen. If you are purchasing a Product then you will need to place your Smartcard onto the orange Card Reader. If you are purchasing a Child Concessionary Ticket or Child All Day ticket (CAT) you will need to place your Under 16 Pop card on the Card Reader to be able to access these Tickets.
- 8.2 A selection of Products are available at Payzone outlets. You can find your nearest Payzone agent by going to [www.payzone.co.uk/store-locator](http://www.payzone.co.uk/store-locator). You will need your Smartcard with you when you purchase your Product, as it will be immediately loaded onto your Smartcard.

## Using Pop Shop

### 8.3 Your Pop Shop Account

- 8.3.1 If you have a Pop card you can create a Pop Shop Account where you can register any existing Pop cards; apply for a new Pop card; register your Pop PAYG card; and purchase Products as well as other functionality. If you have a Newcastle University Smartcard and you use it for holding your Nexus Product, then you can also create a Pop Shop Account. Please note that currently Under 16 Pop cards or Corporate Customer Pop cards cannot be registered or purchased via the Pop Shop. All information and services on Pop Shop will be conducted in English. There are no alternative languages available. If this causes you any problems please contact Nexus Customer Services. We shall not be obliged to sell Products or send a Pop card to a person or persons who we have reason to believe may be intending to use them, or the proposed method of payment, fraudulently.
- 8.3.2 You are responsible for maintaining the confidentiality of your Pop Shop online username and password ("Login Details") and for restricting access to your computer (or other mobile device) to prevent unauthorised access to your Pop Shop online account. You must keep your Login Details secret and take all reasonable precautions to prevent unauthorised or fraudulent use of them. You must not disclose your Login Details to any other person or record your Login Details in any way which may result in them becoming known to another person. You agree to accept responsibility for all activities that occur under your Pop Shop online account. You should inform us immediately if you have any reason to believe that your Login Details have become known to anyone else, or if the Login Details are being, or likely to be, used in an unauthorised manner. You should also change your password as soon as possible. The Pop Shop website will only accept credit or debit card payments for purchases.
- 8.3.3 Applications for Pop cards are processed centrally by our Customer Services Team and, if your application is approved, your Pop card will be posted to the address you entered into your Pop Shop Account. There will be no additional postage charges/delivery charges for this service.
- 8.3.4 To purchase a Product from Pop Shop you will need to complete the following steps:
- Step 1** Login to your Pop Shop Account to which you have a Smartcard registered. If you do not have a Smartcard registered to your account you will need to apply for one.
- Step 2** Select your Product.

- Step 3** Select which card you wish to load that Product onto. Please note if you are purchasing a student or 16-18 Product you will need to have a Smartcard with the relevant Entitlement loaded registered to your account in order to continue with your purchase. Entitlements can be loaded onto your Smartcard at a Nexus TravelShop provided you can show proof of your eligibility for that entitlement.
- Step 4** You should check the details of your purchase and amend if incorrect prior to the next step. Please note you must ensure that you correctly enter your Smartcard reference number (if you have more than one) as we cannot amend this after payment has occurred.
- Step 5** Pay for your purchase using a debit or credit card. You cannot cancel your purchase once you have completed this payment screen. You will receive an email confirming your purchase.
- Step 6** You must then collect your Product from any Metro Station Ticket Machine or Validator or, in the case of Pop Pay As You Go, you can also collect your Product from a Gate.
- 8.3.5 You confirm that you are at least 16 years old to become a registered user of the Pop Shop and/or use the Pop Shop, and if you are 16 or 17 years old, you confirm that you have obtained your parent or guardian's consent to become a registered user and/or use the Pop Shop. You confirm that you have authority to use the payment method or billing account details you provide for the purpose of settling any payments due for any purchase made through the Pop Shop, or that you owe to us. If you are 16 or 17 years old and using a credit card for the purposes of settling any payments due for any purchase made through the Pop Shop, or that you owe to us, you confirm you have obtained appropriate consent from the credit cardholder prior to using the credit card.
- 8.3.6 You also acknowledge that all information supplied by you in using the Pop Shop is accurate and that you will not make any false or fraudulent representation. You further acknowledge that you will only use the Pop Shop to make purchases for yourself or for another person on whose behalf you are legally entitled to act.
- 8.3.7 You acknowledge that you will be financially responsible for any purchases made through the Pop Shop using your account details and for all reasonable and foreseeable losses which we suffer as a result of your breach of these terms or your negligence when using the Pop Shop (including where you deliberately or carelessly let others use your account).

- 8.3.8 There may be certain fees and charges payable on top of the Ticket/Product price in respect of purchases made via the Pop Shop. If applicable, these will be identified during the purchasing process. You will be responsible for all charges and taxes payable as a result of your use of the Pop Shop, including the cost of accessing the Pop Shop (for example, internet access charges or mobile data charges).
- 8.3.9 These Terms and Conditions (which incorporate our Privacy policy/Statement, website Terms of Use, and Acceptable Use policy (all at [nexus.org.uk/termsandconditions](http://nexus.org.uk/termsandconditions)) set out the terms of our contract with you in relation to our supply of any Product that you purchase online via the Pop Shop. If you do not agree with these terms, you must not use the Pop Shop.
- 8.3.9 Where we become aware of an error, we will take reasonable measures to remedy it. If you have purchased Tickets or Products that are subject to an error, other than you purchasing an incorrect Ticket or Product, we will refund these in full.
- 8.3.10 We will use reasonable care to carry out the Ticket and Product retailing services contained in the Pop Shop within a reasonable time, in accordance with these terms.
- 8.3.11 After confirming your purchase by email to your registered email address, we will make your Product available to load at the Metro Station Ticket Machines or Validators (and at a Gate for Pop PAYG only). This will normally be by the next morning if you purchased your Product online before 10pm, but we would recommend that you allow 48 hours to be safe. While we endeavour to have Products delivered in accordance with these timescales, we cannot be responsible for any guaranteed delivery times. We are not liable for any additional costs incurred as a result of a Product not being available for collection. Please note you cannot load your Season Ticket Product at a Gate, but you can load a Pop PAYG top up at a Gate. Please also note that all purchases made from Pop Shop must be collected from a Metro Station. If you are a bus passenger, you cannot collect any purchases from your Bus Driver or from Payzone, only from a Metro Station.
- 8.3.12 When using Metro you must ensure that you are in possession of the Product and it is loaded onto your Smartcard before you enter the Compulsory Ticket Area.
- 8.3.13 If you are unable to collect your Product (for example due to the Ticket Machines being out of service) then you should contact the station staff or Nexus for further assistance. If using Metro, you must not enter the Compulsory Ticket Area.

- 8.3.14 Please note it is your responsibility to have a Valid Product Ticket or Event Ticket for travel. Failure to do so may result in a Penalty Fare and/or prosecution for travelling on Metro without a Valid Product, Ticket or Event Ticket. Purchasing a Product or Event Ticket online is not sufficient to remove this requirement. You must load the Product onto your Smartcard and it must be Validated.
- 8.3.15 If you do not load your Season Ticket Product onto your Smartcard until after the start date of the Season Ticket Product and/or after the expiry date of the Season Ticket Product, we will not be liable to provide any refund for the days lapsed or a Replacement Product.
- 8.3.16 You must check your Product when you receive it. If you believe that it does not reflect the purchase you made through the Pop Shop, please contact Nexus Customer Services.
- 8.3.17 You must carry your Smartcard with you every time you travel.
- 8.3.18 The contract between Nexus and you is for the duration of the Product or Event Ticket purchased.

### 8.4 **Event Tickets and other Tickets available Online**

- 8.4.1 As well as Pop Shop, we also offer pre-paid Pop Pay As You Go cards, Event Tickets and other Tickets through [nexus.org.uk](http://nexus.org.uk). When you purchase these Products they will be dispatched electronically or by normal post to the address you specify during the delivery process. You should ensure that the address you provide during these transactions is correct.
- 8.4.2 Customers must notify Nexus Customer Services of any item(s) purchased and not received between five and ten days of the original transaction date. Nexus will replace any item(s) lost in shipping during this period free of charge. Any notification of goods not received after ten days of the original transaction date may not be replaced. Nexus will only replace one item lost in shipping; any subsequent items lost in shipping cannot be replaced or refunded.
- 8.4.3 Nexus reserves the right not to replace any items where it is suspected a replacement has been requested fraudulently.
- 8.4.4 Lost items are non-refundable; however the Customer may apply for a refund of a replacement product if applicable under the relevant products' terms and conditions.

### 8.5 **Cancellation of a Pop card/Pop PAYG card**

- 8.5.1 If you no longer need your Pop card, you may return it to us and we will close your Pop Shop Account. You are responsible for the any costs incurred in returning the Pop card to us. Refunds of any Products remaining on your Pop card will be subject to the Refunds policy set out in Section 9 and the rules of the Product itself. Any refunds should be completed before you return the Pop card to us. You can hand the Pop card in at any TravelShop or post to Customer Services (see address in Section 2).
- 8.5.2 If you no longer need your Pop PAYG card, you may return it to us via Nexus Customer Services (see address in Section 2). Refund of any Pop PAYG remaining on your Pop PAYG card will be made in accordance with the policy set out in Section 9.

### 8.6 Cancellation of a Product or Ticket or Event Ticket

- 8.6.1 Once you have purchased a Product or a Ticket or Event Ticket, you cannot cancel the purchase even if you have purchased an incorrect Ticket or Product or Event Ticket. In the case of a purchase from Pop Shop you will need to collect your purchase and then, if the Product is refundable, take your Smartcard to a Nexus TravelShop for a refund.
- 8.6.2 In the case of a purchase from a Metro Station Ticket Machine or a TravelShop you cannot cancel the purchase but if the Product or Ticket is refundable, you can take your Smartcard to a Nexus TravelShop for a refund.
- 8.6.3 You are responsible for any costs in returning the Product or Ticket to us for a refund. Please see 'Product terms of use' at [nexus.org.uk/termsandconditions](http://nexus.org.uk/termsandconditions) to identify if your Product or Ticket is refundable. If you purchase a ticket in error, or are issued with an incorrect ticket on the bus using Pop PAYG you should inform the bus driver immediately before another transaction has been made and before the bus leaves the bus stop. The bus driver should then be able to annul the transaction. If you do not identify the error in this window of time you will need to contact the Bus Operator for a refund which will be subject to the Operator's Conditions of Carriage.
- 8.7 We shall not be obliged to change, cancel, replace or refund a Ticket or Product where we have reason to believe that it is being done so fraudulently.

## 9. Refunds and Replacements

- 9.1 Not all Nexus Products and Tickets are refundable. See 'Product terms of use' at [nexus.org.uk/pop-pop-help](http://nexus.org.uk/pop-pop-help). For the avoidance of doubt, Event Tickets are non-refundable.
- 9.2 If a Season Ticket Product or Ticket is refundable see 'Product terms of use' at [nexus.org.uk/termsandconditions](http://nexus.org.uk/termsandconditions)) then you must go to a TravelShop for your refund (excluding Pop PAYG – see below).
- 9.3 Any refund calculation will not include the day on which you present the Season Ticket Product or Ticket for refund.
- 9.4 An administration fee may be charged and will be subject to review from time to time.
- 9.5 Corporate Products can only be refunded via the corporate sales team.
- 9.6 Refunds in TravelShops will be made using the same payment method as the original purchase i.e. cash or credit/debit card.
- 9.7 If the Product is linked to a Smartcard with a photograph or a registered Smartcard, refunds will only be made to the person identified on the card/in the customer account. If the person cannot come in themselves for a refund, due to exceptional circumstances, please contact us.
- 9.8 If it is not possible to read the Smartcard and associated Product, then refund requests must be made to Customer Services. In the cases of Refundable Tickets, if the Ticket cannot be read by the TravelShop staff and its face value cannot be determined or it is illegible, refunds will only be made if the customer can provide a receipt of the original purchase.
- 9.9 Any Tickets purchased entirely or in part by voucher/purchase order are non-refundable.
- 9.10 No refunds will be issued for any Ticket which has expired.
- 9.11 All refunds may be subject to an administration fee. If so, this will be made clear to you before the refund transaction is started.

<b>Product</b>	<b>Refund Calculation</b>
Season Tickets (if refundable)	$((\text{Price Paid}/\text{No of Product Days}) \times \text{Days Remaining}) - \text{Admin Fee} = \text{Refund}$

- 9.12 If you wish to refund your Pop PAYG then you must return your Pop PAYG card to Nexus Customer Services (see Section 2 for the address). It is not possible to refund part of your Pop PAYG balance, a refund is only available for the full balance on your

Pop PAYG card. When the Pop PAYG card is received by Nexus Customer Services, a calculation of the balance of the PAYG is made and, if the Pop PAYG is in greater than £0.00 then the deposit (if paid) will be added to the balance and your refund determined.

- 9.13 If your Pop PAYG card is in a negative balance, and you paid a deposit for the Pop PAYG card, then you may still be entitled to a refund of the remainder of the deposit paid for the card.
- 9.14 If it is determined you are due a refund then a cheque for that refund amount will be sent to you. Please note this process can take up to 3 weeks.
- 9.15 If you have a Pop Shop Account and you have an Online Balance, then you should transfer this balance to your Pop PAYG card before returning it for a refund. If you intend to get a new Pop PAYG card in the future, and add it to your Pop Shop Account, then you can keep the Online Balance for use with future Pop PAYG cards. Please note Nexus cannot refund an Online Balance unless it is loaded onto a Pop PAYG card.

### **Close Your Journey refunds**

- 9.16 In order to use your Pop PAYG you must touch in at a Gate or Validator at the start of your Metro journey and touch out at a Gate or Validator at the end of your Metro journey. If you miss a touch in or touch out then you could be charged a maximum fare (equivalent to a 3 zone journey).
- 9.17 If you missed a touch in or touch out by accident then you can apply, once a month, for a Close Your Journey refund via your Pop Shop Account. If you tell us the approximate details of the missed touch in and touch out, your travel for the day will be recalculated and if you are due a refund, this will be added to your Online Balance. If you apply for a Close Your Journey refund, due to an accidental missed touch in or out, more than once a month your request will not be approved. If you apply for a Close Your Journey refund, due to an accidental missed touch in or out, and, when your journeys are re-calculated for that day, you are not due a refund, this still counts as your once a month request.
- 9.18 If you missed a touch in or touch out because of equipment failure, or some other reason that is not within your control, then you can request a Close Your Journey refund without the once a month limitation. If you are due a refund then this will be added to your Online Balance. Please note if you missed a touch in or touch out because one particular Gate or Validator at a station was not working, but it is reasonable for you to have used another Gate or Validator your request will not be approved.

### **Replacement Products & Tickets**

- 9.19 An administration fee may be applied for a Product to be replaced. If the administration fee payable is greater than the value of the Product to be replaced, then the Product will not be replaced. The administration fee may be waived if the Product is being replaced due to a Faulty Smartcard, or at our discretion.
- 9.20 Replacement Products can only be loaded when the Smartcard is replaced and not at a TravelShop. We will not change the expiry date of the Replacement Product to reflect days lost while waiting for the replacement Smartcard.
- 9.21 A Replacement Ticket or Event Ticket will only be issued if the original Ticket or Event Ticket is present and the TravelShop staff can read the Ticket type, expiry date and original price paid for the Ticket or Event Ticket, otherwise the Fair Wear & Tear Policy (see Section 6) applies. An administration fee may be charged for issuing a replacement Ticket or Event Ticket.
