

## **Disruption to Stagecoach services on Sunday 7 May 2017 for the Sunderland Half Marathon and the Sunderland 10k races**

Stagecoach services in the area will be revised until mid-afternoon on Sunday 7 May 2017. The revised timetables and journeys are as follows:

**Service 3** - From first bus (**8:15am**) until approx. **4:15pm** - will operate normal route from Hylton Castle to Southwick, then via Southwick Road as far east as Queens Road Link Road, before travelling non-stop via Queen Alexandra Bridge, Pallion New Road, Trimdon Street, Silksworth Row, St. Michael's Way, Albion Place, Green Terrace northbound, St. Michael's Way, then its normal route towards Farringdon. From first bus until approx. **4:15pm**, **Service 3** will not be able to serve the normal bus stops on Southwick Road to the east of Queen's Road, the Wheatsheaf, John Street, Fawcett Street, Holmeside or Vine Place in either direction. **Service 3** will resume normal service at **4:05pm** from Hylton Castle and **4:07pm** from Farringdon.

**Service 4** - From **8:00am** until approx. **4:30pm** - will operate normal route from Downhill to Southwick, then via Southwick Road, before travelling non-stop via Queen Alexandra Bridge, Pallion New Road, Trimdon Street, Silksworth Row, St. Michael's Way, Albion Place, Green Terrace northbound, St. Michael's Way, then its normal route towards Doxford Park.

Between **8:08am** and **4:26pm**, **Service 4** will not be able to serve the normal bus stops at Southwick Road to the east of Queen's Road, the Wheatsheaf, John Street, Fawcett Street, Holmeside or Vine Place in either direction. **Service 4** should be able to resume normal service commencing with the **4:26pm** from Downhill and **4:17pm** from Doxford Park.

**Service 8** - From first bus (**9:19am**) until approx. **2:00pm** - will operate normal route from South Hylton to St. Michael's Way, Albion Place and Green Terrace northbound before leaving the town centre and travelling back along St. Michael's Way before re-joining the normal route towards South Hylton.

From first bus (**9:19am**) until approx. **2:00pm**, **Service 8** will not be able to serve the normal stops on Vine Place, Holmeside, Borough Road, Church Street or the Docks in either direction.

**Service 8** will resume normal service at **1:24pm** from South Hylton and **1:52pm** from the Docks.

**Service 10/11** - From first bus (approx. **9:15am**) until approx. **1:45pm** - will not be able to serve Hendon, Grangetown or Hillview. Until then, buses will operate from Quarry View via normal route as far as St. Michael's Way, then via Albion Place to Green Terrace northbound, at which point they will terminate. Buses towards Quarry View will commence from Green Terrace. During affected times, buses will not be able to serve Holmeside, Vine Place, Borough Road, or the Hendon, Grangetown or Hill View areas. **Service 10** should be able to resume normal journeys commencing with the **1:28pm** service from Pennywell, and **1:43pm** service from Grangetown. **Service 11** should be able to resume normal service commencing with the **1:45pm** bus from Pennywell, and the **2:05pm** bus from Grangetown.

**Service 13** - From first bus (approx. **8:35am**) until approx. **4:15pm** - will operate normal route from Town End Farm as far as Southwick, then via Southwick Road non-stop via Queens Road, Queen Alexandra Bridge, Pallion New Road, Trimdon Street, Silksworth Row, St. Michael's Way, Albion Place, Green Terrace northbound, St. Michael's Way before re-joining the normal route.

From approx. **9:25am** until approx. **4:15pm**, **Service 13** will not be able to serve the normal bus stops on Southwick Road, the Wheatsheaf, John Street, Fawcett Street, Holmeside or Vine Place in either direction. **Service 13** should be able to resume normal service commencing with the **4:14pm** journey from Town End Farm and **3:46pm** bus from Doxford Park.

**Service 16** - From approx. **8:00am** until approx. **4:30pm** - will operate normal route from Red House as far as Southwick, then via Southwick Road non-stop via Queens Road, Queen Alexandra Bridge, Pallion New Road, Trimdon Street, Silksworth Row, St. Michael's Way, Albion Place, Green Terrace northbound, St. Michael's Way before re-joining the normal route.

From approx. **9:25am** until approx. **4:15pm**, **Service 16** will not be able to serve the normal bus stops on Southwick Road, the Wheatsheaf, John Street, Fawcett Street, Holmeside or Vine Place in either direction. **Service 16** should be able to resume normal service commencing with the **4:32pm** journey from Red House and **4:06pm** bus from Hastings Hill.

**Service 20** - From approx. **8:00am** until approx. **1:25pm** - buses will terminate on Green Terrace northbound. Between approx. **8:00am** and approx. **1:25pm**, **Service 20** will not serve Fawcett Street, Burdon Road or Holmeside.

**Service 20** should be able to resume normal service commencing with the **1:27pm** from Pennywell and the **1:26pm** journey from Fawcett Street.

**Service 23** - From approx. **8:00am** until approx. **5:30pm** - buses will only run between Thorney Close and City Centre. Buses towards Thorney Close will commence from Green Terrace (northbound stop). Until **5:08pm**, **Service 23** will not be able to serve Holmeside, Vine Place, John Street, Fawcett Street, Athenaeum Street or the Dene Estate, Fulwell, Roker or Wheatsheaf areas. **Diverted Service E1, E2, E6 provides a partial alternative.**

**Service 23** should be able to resume normal service commencing with the **5:08pm** from Thorney Close and the **5:32pm** from Dene Estate.

**Services E1, E2 and E6** - From first bus (approx. **7:45am**) until approx. **4:30pm** - buses will divert as follows:

**Service E1** - will operate via normal route to Fulwell Blue Bell, then via Station Road, Charlton Road, then non-stop to Sunderland Park Lane Interchange, via Thompson Road, Queen Alexandra Bridge, Pallion New Road, Trimdon Street, St Michael's Way, Albion Place and Stockton Road. Services to South Shields will operate the same journey in reverse. **Service E1** should be able to resume normal service commencing with the **4:44pm** from South Shields, and **4:49pm** from Sunderland Interchange.

**Service E2** - will operate via normal route to the Wheatsheaf junction, then will divert non-stop to Sunderland Park Lane Interchange, via Southwick Road, Stoney Lane, Queen Alexandra Bridge, Pallion New Road, Trimdon Street, St Michael's Way, Albion Place and Stockton Road. Services to South Shields will operate the same journey in reverse. **Service E2** should be able to resume normal service commencing with the **4:33pm** from South Shields, and **4:57pm** from Sunderland Interchange.

**Service E6** - will operate via normal route to Dundas Street, then will divert non-stop to Sunderland Park Lane Interchange, via Southwick Road, Stoney Lane, Queen Alexandra Bridge, Pallion New Road, Trimdon Street, St Michael's Way, Albion Place and Stockton Road. Services to South Shields will operate the same journey in reverse. **Service E6** should be able to resume normal service commencing with the **4:54pm** from South Shields, and **5:08pm** from Sunderland Interchange.

**For more details on these temporary revisions, please contact Traveline on 0871 200 22 33.**

**These routes and timings may be subject to further change upon instructions from the police or any additional road closures.**
