

METRO NIGHT WORKING IN YOUR AREA:

MONDAY 21 OCTOBER 2019 TO SUNDAY 27 OCTOBER 2019

To keep Metro running smoothly for our 38 million passengers every year we often have to do work in the hours when trains do not operate, between midnight and 5.30am.

Work taking place in the week ahead is listed below. We apologise for any disturbance this causes you, and we want to assure you that every effort will be made to keep inconvenience to a minimum.

Sometimes there will be late changes to this schedule, which will be posted at www.nexus.org.uk/nightworks and sent out by email.
